We have Two bags of grass
75 pellets of mescaline
5 sheets of high power blotter-acid
a salt shaker half full of cocaine
a whole galaxy of multi colored uppers downers
screamers laughers
also a quart of tequila
quart of rum
case of beer
pint of raw ether
2 dozen amyls

but once you get locked in to a serious drug collection
not that
we need it at all for the trip the tendancy is to push it as
far as
you can

Dont dont dont dont dont dont dont
Dont dont dont dont dont dont do-do-dont
Dont dont dont dont dont dont dont
Dont dont dont dont dont dont do-do-dont

When the truth is found
To be lies,
and all the joy within you dies,

dont you want,
dont you want want
dont you want
dont you want want
dont you want dont you want want
dont you want dont you want want
dont you

want somebody to love,
ooh, need somebody to love,
dont you need somebody to love,
dont you love somebody to love,
Ooh I do, I need somebody to love,

Dont dont dont dont dont dont dont

Dont dont dont dont dont dont do-do-dont
Dont dont dont dont dont dont dont
Dont dont dont dont dont dont do-do-dont

When the truth is found
To be lies
And all the joy within you dies,

dont you want,
dont you want want
dont you want
dont you want want
dont you want dont you want want
dont you want dont you want want
dont you

want somebody to love,
ooh, need somebody to love,
dont you need somebody to love
dont you love somebody to love,
Ooh I do, I need somebody to love,

Two bags of grass
75 pallets of masculine
5 sheets of clabber acid
a salt shaker half full of cocaine
a whole galaxy of multi coloured uppers downers
screamers laughers
also a port of tequila
port of rum
case of beer
pint of ron eather
2 dozen amils

but once you get locked in to a serious drug collection
not that we need it at all for the trip the tendency is to
push it as far as you can
