hopefully
i do what i wanna do
right or wrong
i'm on my own way now

and i
don't like your dirty connections
i
don't need your dirty connections

yesterdays
they beat me like an animal
your time is gone
i'm back like a hurricane

and i
don't like your dirty connections
i
don't need your dirty connections

from everywhere
especially in politics
from everywhere
religious and philosophers

and i
don't like your dirty connections
i
don't need your dirty connections

try
to think try
on this try
uhh, uh, uh
try
to think try
you must try

and i
don't like your dirty connections
i

don't need your dirty connections
i
don't like your dirty connections
i
don't need your dirty connections

try
to think try
on this try
uhh, uh, uh
try
to think try
you must try

try
to think try
on this try
uhh, uh, uh
try
to think try
you must try

and i
don't like your dirty connections
i
don't need your dirty connections
i
don't like your dirty connections
i
don't need your dirty connections

try
to think try
on this try
