hey, hey
i got nothing to lose tonight
hey, hey
we got everything to do it right

its time to use your own potential
and break those older complications
it's time to rise from the dust
ok, do it right
tonight, tonight, tonight, tonight

hey, hey
i got nothing to lose tonight
hey, hey
life so boring but your future is bright

its time to use your own potential
and break those older complications
its time to rise from the dust
ok, do it right
tonight, tonight, tonight, tonight

hey, hey
i got nothing to lose tonight
hey, hey
we got everything to do it right

it's time to use your own potential
and break those older complications
its time to rise from the dust
ok, do it right
tonight, tonight, tonight, tonight

hey, hey
nothing to lose
nothing to lose
nothing to lose
nothing to lose
nothing to lose
nothing to lose
hey, hey

nothing to lose

it's time to use your own potential
and break those older complications
its time to rise from the dust
its time to rise from the dust
its time to rise from the dust
ok do it right
