i don't know you think about
i don't know you think i'm doing everytime you go
i don't know you think about
i don't know you think i'm doing everytime you left
home

i don't know, if you're under that feeling, ohh
you can try smelling the hot rain in the streets
i don't know, if you're under that feeling, ohh
you can try step on the dryleaf in the streets

oh boy, you can try
(oh boy, you can try)
i don't know you think about
i don't know you think i'm doing everytime you go
i don't know you think about
i don't know you think i'm doing everytime you left
home

i don't know, if you're under that feeling, ohh
you can try smelling the hot rain in the streets
i don't know, if you're under that feeling, ohh
you can try step on the dryleaf in the streets

oh boy, you can try
(oh boy, you can try)
oh boy, you can try

i don't know, if you're under that feeling, ohh
you can try smelling the hot rain in the streets
i don't know, if you're under that feeling, ohh
you can try step on the dryleaf in the streets

oh boy, you can try
(oh boy, you can try)
oh boy, you can try
