hey
it's time to stop
it's time to stop treat you bad
mami you terrified
you terrified me every night
cause you don't have a reasons
you don't have a reason to die
but you have many reasons
to continue still alive

uohhh
i know it's so hard outside
uohhh
but happiness is not so far
uohhh
i know it's so hard outside
uohhh
but happiness is not so far

hey
we understand
you feel frustrated all the days
but please try to find
try to find you everyday
cause you don't have a reasons
don't have a reason to die
but you have many reasons
to continue still alive

uohhh
i know it's so hard outside
uohhh
but happiness is not so far
uohhh
uohhh
uohhh
uohhh
