I got my back on the wall  
There's nothing in my way  
I know it's gonna be alright  
Evil is what I am  
Every moment, I count down  
Every moment, I count down  
Every moment, I count down

Sinful rhythm in my mind  
I'm on my way back home  
You make me wanna pack my backs  
But still you're waving your flags  
Every moment, I count down  
Every moment, I count down  
Every moment, I count down

Every moment, I count down  
Every moment, I count down
