All of me
All of me
Cant' you see

All of me
All of me
Cant' you see
I've been trying to keep me...
Keep me here barely

Rise and fall
Rise and fall
Rise and fall
Rise and fall
Rise and fall
Rise and fall
Rise and fall
Rise and fall
Rise and fall

Always be
Always be
There for me

Rise and fall

Always be
Always be
There for me
There's no reason why...
Reason why I'm here

Rise and fall
Rise and fall
Rise and fall
Rise and fall
Rise and fall
Rise and fall
Rise and fall
Rise and fall
