Tongue Tied, tongue tied
Let's get tongue tied
Lick my mouth dry
Honey let it go where it goes

You will love it when I come round tonight
When the chemicals and hormones are right
I'm available in fits and in starts
I'm a doll with fully movable parts

Tongue tied, tongue tied
Let's get tongue tied
Lick my mouth dry
Honey let it go where it goes

I don't say much but I'm good with my hands
I'm your average inarticulate man
Is it ok if I die on your bed
I don't think your mother heard what I said

Like the power running inside this wall
I'm within you'd never know it at all
I'll be with you in a second or three
I know where all the connections should be

Tongue tied, tongue tied
Let's get tongue tied
Lick my mouth dry
Honey let it go where it goes

Tongue tied, yeah yeah
Tongue tied, yeah yeah
Lick my mouth dry
Honey let it go where it goes
Honey let it go where it goes
Honey let it go where it goes
Tongue Tied
Tongue Tied
Tongue Tied
Tongue Tied
Tongue Tied
Tongue Tied
