properly introduced

Your beautiful
Baby its mutual
Well if your down then i'll come down
Lets get on down to it

Whoa whoa yeah, whoa whoa yeah (what u do to me)
Whoa whoa yeah, whoa whoa yeah (i think i like it)
Whoa whoa yeah, whoa whoa yeah (i just cant keep my
eyes of you baby)

Oh yeah, she's comin this way
Let me think of something crunk to say (uh)
Hold my drink and go tell the dj to play

Your beautiful
Baby its mutual
Well if your down then I'll come down
Lets get on down to it

Whoa whoa yeah, whoa whoa yeah (what u do to me)
Whoa whoa yeah, whoa whoa yeah (i think i like it)
Whoa whoa yeah, whoa whoa yeah (i just cant keep my
eyes of you baby)

Boomkat in the house

So baby what ur name, anyway?
I like the way u dance
Where u from? (your beautiful)
I've never seen you here before

Your beautiful
Baby its mutual
Well if your down then I'll come down
Lets get on down to it

I aint to proud to beg
Come on lets bump and grind
All the way straight into bed
Your place or mine?

whoa whoa yeah, whoa whoa yeah (what u do to me)
Whoa whoa yeah, whoa whoa yeah (I think i like, I like it
too)
Whoa whoa yeah, whoa whoa yeah (I just can't keep my
eyes of you baby)

Your beautiful (your so beautiful)
Your beautiful (now you are)
Your beautiful (oh yeah)

I think I like it, what u do to me

What u do to me, I think I like it
