Hey, Mr. Sax Man  
Play that yakety sax

Hey, Mr. Sax Man  
Everybody's waiting for you  
Come on, Hey, Mr. Sax Man  
And show us what you're gonna do

Now all the chicks are hip  
So you can't go wrong  
With your yak, yak, yakety sax  
All night long

Hey, hey, hey, Mr. Sax Man  
Play that yakety sax

Hey, Mr. Sax Man  
Play that yakety sax  
Hey, Mr. Sax Man  
Sling that yakety axe

Everybody's swinging  
And digging the sound  
And there ain't nobody  
Gonna put you down

Hey, hey, hey, Mr. Sax Man  
Play that yakety sax

Hey, hey, daddy  
You just can't go wrong  
With your yak, yak, yakety sax  
All night long

Hey, hey, hey, hey, Mr. Sax Man  
Play a little sax for me
