Let me in, honey  
This is the Big Bopper knocking

Hello, Little Red Ring Hood  
I heard about you  
And it's all been good

I wanna meet you  
So I'm standing at your door  
I been a-knocking 'til  
My knuckles are sore

[CHORUS]  
Baby, let me in  
I wanna be your friend  
Bing bang biddledy bang  
Baby, let me in

I been talking to  
The three little pigs  
When they saw you, man  
They flipped their wigs

Said you're the swinginest  
And that's no lie  
I'll take you, baby  
For you, I got I

[Repeat CHORUS]

I'm the big bad wolf  
That you heard about  
Something about you  
Just knocks me out

Let me in, baby  
While your grandma ain't around  
Or I'll huff, I'll puff  
And blow your house down

Come on, Little Red Riding Hood  
I know you rock and roll

And bop it so good

Let me in, baby  
And we'll shake the shack  
Gonna have a ball  
Until your grandma gets back

[Repeat CHORUS]

Now, let me in, honey  
I just wanna talk to you  
You know you get lonesome  
In there by yourself

So put the key in the door  
And go tick a lock, tick a lock  
And let me in there, honey

I'm the big bad wolf  
That you heard about  
Something about you  
Just knocks me out

Let me in, baby  
While your grandma ain't around  
Or I'll huff, I'll puff  
And blow your house down

Come on, Little Red Riding Hood  
I know you rock and roll  
And bop it so good

Unlock the door and  
We'll shake the shack  
Gonna have a ball  
Until your grandma gets back

[Repeat CHORUS]
