I will never forget this day
When my life choked and broke down
I didn't want to believe
You will never be coming back (bis)

It broke my heart
I'll rise you star
You're among the angels
Gliding and just smiling

I'm so down
I've been dreaming about you
So much inside my head
I'm so dry
I've been crying, I am
Getting rid of pain

I will never forget this day
When the colours to grey
It's getting hard to pretend
My life will never be the same (bis)

It broke my heart
I'll rise you star
You're among the angels
Gliding and just smiling

I'm so down
I've been dreaming about you

So much inside my head
I'm so dry
I've been crying, I am
Getting rid of pain
I got blind
I lost my entire
My maker, my desire
Reverse the time
Turn all the hands back
Around and around again

I burnt my eyes

It's not a lie
It's crystal clear
But I will fight
I don't wanna wake up inside
I'll see you in paradise

I'm so down
I've been dreaming about you
So much inside my head
I'm so dry
I've been crying, I am
Getting rid of pain
I got blind
I lost my entire
My maker, my desire
Reverse the time
Turn all the hands back
Around and around again
