I am not like all the others, I am not your average guy  
I ain't looking for a lover just to last me for a night  
Cause I don't care I just don't care  
For a marathon of love, just for showing off the girls  
you wear

I don't have a list of ladies, I don't drag along like that  
What I like is what I want and what I want is what I get  
So I don't care, I don't give a damn  
About the stories that they tell me, I guess I'm just a  
one girl type of man

Chorus:

Just one girl  
(only one girl, one girl is enough for me)  
With one heart  
(only one heart, one heart is all that I need)  
And one kiss  
(only one kiss, a lot of it a lot of it)  
And one love  
(only one love, I'll never get enough of it, one girl love)  
Only one girl, only one girl

Baby don't you get me wrong I'm not that innocent at  
all  
Cause to get to where I want to be I need to see it all  
So if you're there, baby if you're there  
Won't you show yourself to me, cause I got all my extra  
love to spare  
Baby, just for

Chorus

All I want is one girl, cause one girl is enough  
All I want is one heart, cause one heart is enough  
All I want is one kiss, cause one kiss is enough  
All I want is one love, cause one love enough  
One girl, only one girl

Chorus
