hiiiiiiiiiii....

Oooh in springtime baby  
Im blooming inside  
ooh in springtime baby  
the love of my life  
Like a beautiful soul  
make you feel so alive  
ooh like a beautiful child  
given you a first smile

ooh im dreaming..Im learning to fly  
if I was a rainbow I would color your nights  
into a lovely day with a beautiful smile  
and it feels like coming home  
and its heaven inside

ooh in springtime baby I feel like a child  
ooh in springtime.. and Im running outside  
ooh I try to catch the sun  
take it back home  
Ooh such a beautiful day  
and it makes me feel so alive

hiiiiiiiiiiiiii hoeeeeeeeeeeeeee.. ooooh oooooooh
