you might say that Im a happy man
but baby please try to understand
its time to face the truth that I aint got no friends
deep inside Im a broken man
ooh Im lonely inside
ooh Im lonely baby

people say that I got to change my mind
and prove my love before she cross that line
I guess there aint no other way
to rescue this love before she start to face away

ooh Im lonely inside
Im so lonely baby
I need to got a little bit closer
closer to your love
closer to your love yeah

tell me that you need me
show me that you love
No, you could never leave me here alone
cause my heart is bleeding
my soul keeps screaming
No, you could never never never leave me here alone..

I wish this love could have another chance ooh baby
and finely see you and me again now..baby baby
love dont choose me as a fool for love
no dont make it all disepear now

ooh Im lonely baby
ooooo Im so lonely baby
I need to get a little bit closer to you baby
hooooo

tell me that you need me
show me that you love
No, you could never leave me here alone
tell me that you love me
show me that you need me baby
I just wanna get a little closer to your love now baby
