"Look Into The Soul"

You sure can talk some smack, you do it to the back,
Muckraker exposing flaws, but you are perfect?
The rudder in your mouth is pulling others down,
Why don't you take some time, to look into the soul.
You think what you're doing is right?
Tarnish reputations, wrecking people's lives,
There is no room for error, you are quick to judge, but
look into the soul.

If you would look into the soul and see that no one
comes close,
We all miss the mark, but God can change the heart.
On the outside we flawed, inside renewed everyday,
No one can measure up without grace to the sin.
Why don't you look into the soul.
