"Never Look Back"

I look back when my life was lost and gone but now i
live for Christ disturbed from the start i was lost in a
drunken haze but now i live in Christ couldn't run from
the hands that brought me to this hate found a way in
Christ tangled in circles never ending cycles now i live
for Christ never look back i was doing every which way
but right He turned my life around there was no hope
and no end in sight i found hope in Him quarreled
amongst those i most cared about He brought peace to
me tried to find a way out with the edge of a knife He
gave me a reason to live never look back
