"Taken From Us"

I don't know why God chose to take you, but you sure made a difference when you were here. Such an awesome friend such as you were, but you went home to be with the Lord. I don't think words can express what I have to say, but I have to pay respect where respect is due. Such an awesome friend such as you were to me, who I know always would remain true. I don't know why you were taken from us, I'll never understand until I die. Looking back I have nothing but good memories, that I carry everywhere in my mind.
