There was a sudden hush  
Came to me in my sleep  
Opened my eyes and touched my lips  
And gave me an infernal kiss

Soverign whore She must be God's whore  
Penetrated by God's light  
Fucked by your precious lord  
She muste be God's whore

Again she is young with beauty shining  
Leading me down into her tomb  
The pain disappears  
On an altar of thorns I am seduced  
We two are one in a lifetime it goes on

My body slowly gives up  
It's not with might she has won  
Her cold laugh is all I hear  
She slips away with me to her god

Soverign whore She must be God's whore  
Penetrated by God's light  
Fucked by your precious lord  
She muste be God's whore

When my powers come back  
I dream up to the sky  
I take her life with a last kiss  
She fades away with a bizarre expression  
No more betrayal her life slipped away

I am again what I was  
Stronger than the sun  
God's whore is rotting  
Her life taken by me  
Graced by unholy power I am now  
And god's whore is dead

Soverign whore She must be God's whore  
Penetrated by God's light  
Fucked by your precious lord

She muste be God's whore
