Get your act together, please.
Help your papa to gather leaves.
Go and help your grandfather
He's seventy-seven and you are eleven
So rake the yard or clean the eaves troughs
It's one or the other, so go help your papa please.
Oh ooh

Solo

Get your act together, please
Help your papa to gather leaves or...

You never ask sister to help with the chores that are
Physically straining
Sometimes I wish that I was a sole brother.

You never (you never) ask sister (ask sister)
To help with the chores that are physically straining
Sometimes (sometimes) I wish (I wish) that I was (I
Was)
A sole brother an only child

I know I fake it, I wish I was a sole brother
(Repeat)

Raekwon, I love you. I wish you were my sole brother.
Ghost Face, I love you. I wish you were my sole
Brother.
I love you. I wish you were my sole brother.
Big L, I love you. I wish you were my sole brother.

I know I fake it, I wish I was a sole brother

Jessica, I love you but I wish I was a sole brother.
