Great shining lights of the sky,
Bring our Gods back to the world
Burning light cathedrals
Raise my soul to the land of Thule
Half of a year... daylight
Half of a year... like endless nightfall
Nine nights long
Wounded by spear
Consecrated to Odin
Ultima Thule... where the light was born
Land beyond the freezing winds
Sons of the Northstar
On snow-covered path they walk
Light of the Northstar
The crown of the kingdom of gods
Axis Mundi... Blessed be your kingdom
Axis Mundi... Lost Aryan wisdom
The Arcturus
Hyperborea
The broken cross
A legend

A wheel of Sun

Thule arise

Know how to carve, know how to read,

Know how to stain, know how to understand,

Know how to ask, know how to offer,

Know how to evoke, know how to sacrifice.
