Yo, um granda flow
Bombos e tarolas que batem tipo whoa
Yo, tu sã'i's comã©
No Stress dã'i-te grandas beats nã©?
Ya negro, You Know
Dicas que te prendem tipo AC ã© po-po
Foodaa-se! Whoa
Sempre discreto I keep it on a down low
Shut tha fuck up e sente o flow
Nigga queres beef, nigga? Let's! go
I want out, preparo a retirada
Largo esta life, emigro com a tua namorada
Porque ã© que nã©o aceitas?
Eu que eu nã©o escrevo rimas buay, eu escrevo
receitas

Yo, yo, yo , yo
Nã©o brinques com esta merda yo
Yo, yo, yo , yo
Nã©o duvides com desta merda yo
Yo, yo, yo , yo
Nã©o brinques com esta merda yo
Yo, yo, yo , yo
Tou a falar contigo yo

I be the what niggas need when the need is to feed
of a breed of a man who can rhyme
And you won't believe how I lead I'm ahead of the
game
And I dead all you lames all the time
You now rockin' with not one of the best but one of the
only
Who can cut your life line without the help from homies
Yet attached to two of the best to do it with the L.I. fluid
In my veins I came and I said it the same like the R.
But most of y'all wanna ball 'cause you saw a couple of
vids
Saw a couple of niggas do a couple of bids and over
that you wanna fuss?
Try stayin' relevant for fifteen plus
This art form is not a game, we ain't playin'

We do it all day and night
And if doin' it that long is wrong we don't wanna be
right

Yo, yo, yo , yo
Don't play with this shit, yo
Yo, yo, yo , yo
Don't doubt this shit, yo
Yo, yo, yo , yo
Don't play with this shit, yo
Yo, yo, yo , yo
Hey yo I'm talkin' to you , yo

What you know about R.A.P., B.A.C., N.S.T.
Ya niggas querem ser like we
Mas yo, no entiendes mi stylo
Se cada rima fosse uma grama , AC pesava um kilo
Yo pensei que soubesses
NÃO me subestimes tenho truques que NÃO
conheces
Been there, done that I ain't new to the juego
Si no te gusta boy hasta luego
NÃO queiras copiar 'cause you know you gonna fail
NÃO consegues ver nada porque escrevo rimas em
braille
Je dis de que je vois
Dans le micro j'attaque BOSSAC c'est moi
(Say that shit, say that shit)Yo eu nem comento
Tanta letra junta dava um novo testamento
Independentemente de gente que NÃO me sente
Sigo em frente, e o meu discurso sempre coerente.
