Well come on,
All you people,
The time has come to get together...
You gotta have a little rock 'n' roll music
To get you through the stormy weather
And do whatever you feel,
When you let go...
Nothin's gonna help you more than rock 'n' roll...

(So come on,) put you hands together,
(Yeah, come on)
Put you hands together,
(Come on)
You know it's now or never
Take a chance on rock 'n' roll...

Ooh, are you feelin' satisfied...
(Come on let us give your mind a ride,)
Ooo. are you ready tonight...
(Come on now let's give your mind a ride)
Ooh, you can do what you like
(Come on let us give your mind a ride)

Oh you know, that funky feelin'
Is what you need to get you through...
You oughta know,
I'll tell you somethin'
Don't let your troubles get to you,

'cause win or lose it's alright...
Well take control,
And nothin's gonna help you more than rock 'n' roll

(So come on,)
Put you hands together,
(Now come on,)
Put you hands together,
(Come on.)
You know it's now or never
Take a chance on rock 'n' roll...

Ooh, are you feelin' satisfied,

(Come on let us give your mind a ride...)
Oooh, are you ready tonight
(Come on let us give your mind a ride)
It's up to you,
You can do what you like,
(Come on let us give your mind a ride)

(T. Scholz)
