Once in your life you find her
Someone it turns you heart around and
Next thing you know your closing down the town
Wake up and it's still with you
Even though you left you went cross town
Wondering to yourself, "hey what've I done"

When you get caught between the moon and New York
city
I know it's crazy
But it's true
If you get caught between the moon and New York city
Best that you can do
Best that you can do is fall in love

Arthur he dances, he pleases
Followed his life, he's masters choices
Deep in his heart, he's just, he's jester one
Living his life one day at a time
Showing himself a really good time
Laughing about the way they wanted to be

When you get caught between the moon and New York
city
I know it's crazy
But it's true
If you get caught between the moon and New York city
Best that you can do
Best that you can do
Best that you can do is fall in love

When you get caught between the moon and New York
city
I know it's crazy
But it's true
If you get caught between the moon and New York city
Best that you can do
Best that you can do
Best that you can do is fall in love

When you get caught between the moon and New York

city
I know it's crazy
But it's true
If you get caught between the moon and New York city
The best that you can do
Best that you can do
Best that you can do is fall in love

When you get caught between the moon and New York
city
I know it's crazy
But it's true
