Can'tcha say you believe in me?
Can'tcha see what you mean to me?

Everyday I think of you, you're on my mind
Some things in the past are better left behind
Every night I dream of you, the images as clear as day

Can'tcha say you believe in me?
Can'tcha say you believe in me?
You know that where there's a will there's a way

Can'tcha say you believe in me?
Can'tcha see what you mean to me?
Don't leave me alone tonight 'cause I still love you

We've had our time apart
And I knew right from the start
I could never change the way I feel about you, baby

We can sit here all night long
And separate the right from the wrong
But love won't wait

Can'tcha say you believe in me?
Can'tcha say you believe in me?
You know that where there's a will there's a way

Can'tcha say you believe in me?
Can'tcha see what you mean to me?
Don't leave me alone tonight 'cause I still love you

Ooh, still in love with you
You know I need you baby, to stand by me
Can't you see I need you, baby
Ooh, I'm still in love with you

Can'tcha say you believe in me?
Can'tcha say you believe in me?
You know that where there's a will there's a way

Can'tcha say you believe in me?
Can'tcha see what you mean to me?

Don't leave me alone tonight 'cause I still love you

I love you
