Can'tcha say you believe in me?  
Can'tcha see what you mean to me?

Everyday I think of you,  
You're on my mind.  
Some things in the past  
Are better left behind.  
Every night I dream of you,  
The images as clear as day.

(chorus)  
Can'tcha say you believe in me?  
Can'tcha say you believe in me?  
You know that where there's a will there's a way.  
Can'tcha say you believe in me?  
Can't you see what it means to me?  
Don't leave me alone tonight,  
'Cause I still love you.

We've had our time apart  
And I knew right from the start  
I could never change  
The way I feel about you baby.  
We can sit here all night long  
And separate the right from wrong  
But love won't wait.

(chorus)
