It's been such a long time

I think I should be goin', yeah

And time doesn't wait for me, it keeps on rollin'

Sail on, on a distant highway

I've got to keep on chasin' a dream

I've gotta be on my way

Wish there was something I could say.

Well I'm takin' my time, I'm just movin' on

You'll forget about me after I've been gone

And I take what I find, I don't want no more

It's just outside of your front door.

It's been such a long time. It's been such a long time.

Well I get so lonely when I am without you

But in my mind, deep in my mind,

I can't forget about you

Good times, and faces that remind me

I'm tryin' to forget your name and leave it all behind me

You're comin' back to find me.

Well I'm takin' my time, I'm just movin' on

You'll forget about me after I've been gone

And I take what I find, I don't want no more

It's just outside of y our front door.

It's been such a long time. It's been such a long time.

Yeah. It's been such a long time, I think I should be goin', yeah

And time dosnt wait for me, it keeps on rollin'

There's a long road, I've gotta stay in time with

I've got to keep on chasin' that dream, though I may never find it

I'm always just behind it.

Well I'm takin' my time, I'm just movin' along

Takin' my time, just movin' along

Takin' my time, takin' my time
