Day is night in New York City  
Smoke, like water runs inside  
Steel idle trees to pity  
Every living thing that's died

Gonna hitch a ride  
Head for the other side  
Leave it all behind  
Never change my mind  
Gonna sail away  
Sun lights another day  
Freedom on my mind  
Carry me away for the last time  
Oh yeah

Life is like the coldest winter  
People freeze the tears I cry  
Words of hail their minds are into  
I've got to crack this ice and fly

Gonna hitch a ride  
Head for the other side  
Leave it all behind  
Never change my mind  
Gonna sail away  
Sun lights another day  
Freedom on my mind  
Carry me away for the last time

Gonna hitch a ride  
Head for the other side  
Leave it all behind  
Never change my mind  
Gonna sail away  
Sun lights another day  
Freedom on my mind  
Carry me away for the last time
