I, I know I'm a dreamer  
It's easy to see, I want to be a believer  
And fly right through the air  
Now I'm wide awake, I want you to take me there

The things that you told me  
I don't know if I was dreaming  
And dreams aren't enough

Life is so lonely  
I need someone to believe in  
Are you in love?  
Can't you see that's everything to me  
That's enough

Magdalene, let me hear it said so I am sure  
Answer me, can't you see that's all I'm waitin' for?  
Here I am on my knees once more, Magdalene

Time must lead you somewhere  
I don't want to wait  
I know you can take me there

The way that you hold me  
I don't know if I was dreaming  
And dreams aren't enough

Life is so lonely  
I need someone to believe in  
Someone to love  
Can't you see that's everything to me  
That's enough

Magdalene, let me hear it said so I am sure  
Answer me, can't you see that's all I'm waitin' for?  
Here I am on my knees, I'm begging, begging you  
please  
Magdalene, Magdalene, ohh

Magdalene, let me hear it said so I am sure  
Answer me, can't you see that's all I'm waitin' for?  
Here I am on my knees, oh, I'm begging you please,

Magdalene

Magdalene, Magdalene, Magdalene
