If I said what's on my mind
you'd turn and walk away
disappearing way back
in your dreams

It's so hard to be unkind
so easy just to say
that everything is just the way it seems

you look up at me
and somewhere in your mind you see
A man I'll never be

If only I could find a way
I'd feel like I'm the man you believe I am
it's getting harder every day for me
to hide behind this dream you see
of a man I'll never be

I can't get any stronger
and I can't climb any higher
you'll never know just how hard I've tried
Cry a little longer
and hold a little tighter
emotions can't be satisfied

you look up at me
and somewhere in your mind you see
A man I'll never be

Solo

If only I could find a way
I'd feel like I'm the man you believe I am
and it gets harder every day for me
to hide behind this dream you see
of a man I'll never be.

solo

Can't get any stronger

and i cant climb any higher
you'll never know just how hard I've tried
Cry a little longer
and hold a little tighter
emotions cant be satisfied

oh you look up at me
and some where in your mind you still see
a man I'll never be

If only I could find away
I'd feel like I'm the man you believe I am
and it gets harder every day for me
I cant keep hiding this feeling
