Oh yeah, well you know I don't get off on workin' day
after day
I wanna have some fun while I'm here
I play the game when it's goin' my way
And there's nothin' like a party when it's kickin' into
gear

I'm gettin' ready for a party tonight
Yes I'm gettin' ready to cruise
And if you've got somethin' for me
I've got somethin' for you

Baby, it's a party and nobody cares
What we're doin' there
Baby, it's a party as long as you're there
It's a party, party, party

I can't believe it when some people say
That it's a sin that way we live to die
You know, there's never been a more natural thing
There's a brand new story, but it's the same old lie

So come on get ready for the time of your life
'Cause I'm gettin' right in the groove
And if you've got somethin' for me
I've got somethin' for you

Baby, it's a party and nobody cares
What we're doin' there
Baby, it's a party as long as you're there
It's a party, party, party

So come on, oh come on, let's go get down

Get down and party if you need a cue
You're sure to find one in the crowd
Just meet your friends and have a toke or two
In a place where they can never play the music too loud

And get ready for a party tonight
'Cause I'm gettin' right in the groove
And if you've got somethin' for me

I've got somethin' for you

Baby, it's a party and nobody cares
What we're doin' there
Baby, it's a party as long as you're there
It's a party, party, party

Now a man doesn't live on bread alone
He's got to have some lovin' each and every night
And a woman's got to have it if the truth be known
Let's get together honey, it's alright
I said, let's get together honey, it's alright
So come on, let's get together honey, it's alright

Aww, get down
Get down and party
