Take a look around and tell me what you see  
I guess that all depend on exactly what you want it to  
be  
Is your cup half-full? Is your cup half-empty?  
How can you get what you need in the land of plenty?

Everybody gets carried away  
And everybody's trying everyday to remind you  
Oh, leave it behind you  
What's it take to see?  
What's it take to believe right from wrong?  
Never knowing where you belong

Walk on  
Walk on  
Yeah

Sometimes I feel like I'm just doing time  
Everybody wonders where you're going when you step  
out of line  
Don't know all the answers, someone's got to stand up  
and say "Hey"  
If you want to win the game then you know you're  
gonna have to play

Everybody's got to find a way  
And everybody's trying everyday to remind you  
What's standing behind you?  
What's it take to see?  
What's it take to believe right from wrong?  
Never knowing where you belong

Walk on, yeah  
Walk on  
Walk on, yeah  
There's no turning back  
Walk on  
Get your train on the track
