(Album: Walk On, 1994)

"I would do anything, anything a man can do
You're my strength and weakness
I give it all for you.
I would climb any mountain.
How can I make you see?
Though the stars may fall, it will always be you and me

The light in your eyes is all the hope I need
There's so much you can give.
Your smile is my reason to live.

Just take my hand, we'll make a stand
I know that we can make it.
(Hey) It's you and me. The world will see.
I know that we can make it, you and me.

I see you, full of sadness
Wondering 'bout this world we've made
There's a space between us all

Love has seen some better days

Oh, we can make it.
Oh, we can make it.

The love in your eyes is all I need to know
I'm never letting go
I'm here for you heart and soul

Just take my hand, we'll make a stand
I know that we can make it.
(Hey) It's you and me, the world will see
I know that we can make it.
I know that we can make it (Hey, yeah)

Just take my hand, we'll make a stand
I know that we can make it
(Hey) It's you and me. The world will see
I know that we can make it.
I know that we can make it.

You and me."
