Forty day tear
Got roadwear
No-doz braking,
Breaking, breaker
Caffeine shakes
Can't feel my legs
Three quarters dead
Motel ahead
Just give me a table
And a single shed
Just give me cable
And a single bed
Have a ray gun
Sleep tight, son
Desk man's got a face
Like Norman Bates
Don't let it outta the box!
Yeah the blue light is good
Yeah the blue light is great
Gotta pile it on
Your Blue Light Special plate
If you shovel it in
They can vacuum you out
Gonna take you on a junket
That you never dreamed about
Unwinding
Showblinding
Got a mindset
Pushing, pushing
New deal for new masses
Grey matter into ashes

Psych line/tone your belly
Hair elixir/royal jelly
Shark attack/legal weasel
Dial-a-honey/drive a diesel
Slash film Sunday --- buy the set
QV shop/shovel debt
Funny funny
Like a fool and his money money
Don't let it outta the box!

Yeah the blue light is good
Yeah the blue light is great
Gotta pile it on
Your Blue Light Special plate
If you shovel it in
They can vacuum you out
Gonna take you on a junket
That you never dreamed about
Woke up in bed
With a pounding head
Cheetos, Visine --- some vending machine
Tubes playing Taps
I ain't takin' the hook
Next time I get that tired
Gonna read me a book
1 Corinthians 10:23
Romans 12:1-2
2 Peter 1:3-9
