Run, run, run all you do is fucking run
But you'll never run away from yourself
I know it's hard but you've been there before
And you know you're gonna be there again

I don't care what the stars may say
Because they always feed their bullshit to me
It's kinda sad how you lost what you had
And you're never gonna have it again and so I say

Hey Sergio, it's getting kind of hot in here
And so I say, hey Sergio, you've got to get us out of
here
And so I say, hey

Every other day you don't care what they say
Because they always leave you two steps behind
You try to smile and it lasts for a while
But they always send you back to the start

Eenie, meenie, miney, mo they shoot down everyone
Yu know and then they leave you there all alone
You wish they'd stop but they never give up
And you know deep inside that you're stuck and so I
say

Hey Sergio, it's getting kind of hot in here
And so I say, hey Sergio, you've got to get us out of
here
And so I say, hey

Sergio laughed for the last time today
He said, ?It never really bothered me
We all have dues to pay? like a man
That's cut off at the knee

He hobbles and hobbles because nothing is free
So wake up, wake up, wake up but don't cry
Because you'll fuck up your make-up and if you do
You won't get laid, you won't make money

No you won't get paid, so you act so free

You act so free, everybody's happy
Because, you act so free, well you might fool them
But you can't fool me with your mindless chatter
Like I don't need them, I don't need help
I don't even need to see the end

Hey Sergio, it's getting kind of hot in here
And so I say, hey Sergio, you've got to get us out of
here
And so I say, hey
