Happy memories is I take from that place
Of a time when life was fine and without waste
Longing to go back and sing that song again
Of a time when life was fine and never ends

Peter Pan I'm just like you
Can't find my shadow or my youth
I'm a lost boy
I don't know where I belong
This teenage heart goes on and on

Do you wonder why I hang around with you?
In a time when is fine I guess you do
Knowing you I live those memories once again
In a time when life is fine and full of friends

Peter Pan I'm just like you
Can't find my shadow or my youth
I'm a lost boy
I don't know where I belong

This teenage heart goes on and on

Peter Pan I'm just like you
Can't find my shadow or my youth
I'm a lost boy
I don't know where I belong
This teenage heart goes on and on

Peter Pan I'm just like you
Can't find my shadow or my youth
I'm a lost boy
I don't know where I belong
This teenage heart goes on and on

On and on and on and on
This teenage heart goes on and on
On and on and on and on
This teenage heart goes on and on
On and on and on and on
This teenage heart goes on and on
On and on and on and on

This teenage heart goes on and on
