What the hell do you want from me?
You say all you want is the best from me, yeah yeah, ah
ah ah
Well I believe you, how I want to believe
If this aint some kind of game that you're playing
Can't you see that it means so much more to me, than
it does to you

Look at me!
I'm tough and I'm strong and I don't care if you're right
or wrong
But when the light goes off, I cry like a baby, I cry like a
baby
Ooh, ooh ooh, yeah yeah yeah

I can't ever share my life with you
And I can't do what you want me to
Ah ah ah, it's my desperation showing through
You know I used to be a local hero
But I'm sure that that means not much more than zero
To someone like you

Look at me!
I'm tough and I'm strong and I don't care if you like this
song but
When the light goes off
I cry like a baby (cry like a baby) I cry like a baby (cry
like a baby)
I cry like a baby, (I cry like a baby)
Cry, cry like little baby (cry like a baby) I cry like a baby

Ah no no, oh oh oh

I cry like a baby (cry like a baby) I cry like a baby (cry
like a baby)
I cry like a baby, (I cry like a baby) Cry like little baby
(cry like a baby)
Man you look like a little fool (cry like a baby) Cry (cry
like a baby)
Cry like a baby (cry like a baby) Mmm
