Out of my mind, I must be out of my mind
To let a thing like real, real pain, it left me out in the
rain, oh wo wo
How many times must I keep moving on when I already
was there?
How many years must I live alone, tie me on your bed
of nails (and)

Hit me over the head! Spit in my face! Bang on the
drum!
I must be blind, I must be blind
Hit me over the head! Step on my feet! Make me feel
numb
I must be blind, I must be going out of my mind... And
it's worrying me

Out of control, I must be out of control
To let a silly thing like this hurt my soul, I must be outta
control
Whoa whoa whoa
How could a thing like this get me down when I'm a
militant man?
How many times must I carry on? Tie me on your bed of
nails (and)

Hit me over the head! Spit in my face! Bang on the
drum!
I must be blind, I must be blind
Hit me over the head! Step on my feet! Make me feel
numb
I must be blind, I must be out of my mind

She should have told me, she could have let me down
gently
That woman should have told me, but I have to pay for
it now

Hit me over the head! Spit in my face! Bang on the
drum!
I must be blind, I must be blind
Hit me over the head! Step on my feet! Make me feel
numb

I must be blind, I must be going out of my mind
Hit me over the head! Spit in my face! Bang on the
drum!
I must be blind, I must be blind
Hit me over the head! Step on my feet! Make me feel
numb
I must be blind...
Hit me over the head! Spit in my face! Bang on the
drum!
I must be blind, I must be blind
Hit me over the head! Step on my feet! Make me feel
numb
I must be blind, I must be going out of my mind...
