'Bout to go off
Time for me to show off
Movin' on from my ex, sorry bitch your loss
Cash money n-gga, you straight ass n-gga
So much cake, the bank can't stash n-gga
And plus I go too hard, I'm mackin' on two broads
N-ggas aint hard, bunch of undercover RuPaul's
B to the O, y'all muthaf-ckers already know my lyrics
flow
Bitch I gotta get that bread you heard what I said
My mind is on my dough
Shout out to the O
Yeah lemme buck town
My n-ggas don't play round
Y'all n-ggas get no shine till I say it's okay now
I'ma big dog, K-9
Droptop, daytime
Bad bitch, shotgun
Hair down to her waistline
Snoop always told me, lil cuz do ya thang
Take a system with the flow, you'll be a legend in the
game
Now it's YMCM, packin' all the freaks in
Take the Lamborghini out once on weekend
Youtube killer, pockets full of Skrilla
Old school Chevy, inside vanilla
Send my girl to London, my girl got to stunt hard
Since I'm in the family, just throw it in the Rush card

Smokin' on kush, don't smoke no ?
Bitches better recognise how dope I'm is
I'm a pro in this shit, I'm like ? in this shit
Haters better realise how much dough I get
I'ma body this track, let it be known
Prince of the raps, so better get off my throne
Hate nobody if you lend no hand
I got right here all on my own
Rap game all f-cked up
They signed up n-ggas who locked up
Prefer me a hood chick, Hollywood hoe's too stuck up
Better step yo game up, n-ggas step yo change up
'Bout to be 24, shit still aint changed much

Wait, more movies, more paper, which means, comes
more haters
See y'all in June, Team Heat, whattup Lakers
Girls hit me on my Twitter now they wanna follow him
Only take lil mama to the condo if she swallowin'
You know I be balin' in, my Bugatti comin' in
If you really wanna know, hip hop yep, I'm running it
Where my competition at, swear they know I'm running
this
Living in my Miami, but I do this for Columbus and
Please, n-ggas aint f-cking with me
I got a bit appetite and I just ate this beat n-gga
