{Chris Brown}

We done been together for a minute
Now it feels funny to be doin' somethin' different
But it's all good, me and you finished
She got a ball player, but a nigga ain't trippin'
And I ain't sayin' that he don't love you, but I don't think
he love you
Like I do
But it's okay, it's alright
My Blackberry's filled with a whole bunch of women
Wasting time, steady tryna get you back
Get you back in my life
Yeah, you don't care, you don't care
It use to be you that I like, but I'mma do what I like...
tonight, I'm gon
Get tipsy
Over 21, all the girls have fun
And watch the girls jump on me

{chorus}

I'm not looking for love cause she's gone on on on
So tell all the girls that the bottles on us
Get your drink on on on
I just wanna have a good time and keep you on my
mind
Find a little shawty I like
And girl when I'm in the club really turned up
I ain't gon to think about you tonight night night night
night... (ay ay)
Ain't thinkin' bout you tonight... (ay ay)

{Bow wow's verse}

You got the wrong one if you think I ain't goin' out
You use to be the only girl a nigga would think about
I got a couple girls on call, I'mma bring 'em out
A Magic City strip one hustle, this what it's all about
I'm in the club doin' my two step
I done pulled about 8 broads already, I'm just gettin'
my feet wet
But I ain't even knockin' yo style
See I'd be here all day tryna count how many girls want
Bow

Yeah, I see you on the blogs with ya dude and all that
But little do you know you makin' yoself look wack
Ya dude got a problem, betta tell him to fall back
I'm blowin' real big in V.I.P, yeah that loud pack
Shit it's me and Chris in here
So you know it's real thick in here
Betta cuff ya girl because ya bitch in here
Tryna see how many I can fit in my Lambo
I neva go raw, I stay strapped like Rambo

[Chorus]

Ooh ooh shawty what's up
Oh bay bay
All the girls in the club
Got damn you sex-ay
You sex-ay
Got damn you sex-ay
Aww you sexy
Ooooh

[Chorus]
