[Verse 1:]

I'm so fresh,
so clean when i walk through,
Scheming on da crowd for a shorty i can talk to
I'm wit da team
and we came to spend green
and we on every hot thing
dat came into da scene
got a bag full of money
and a porsche on da runway
store closed still po-po-poppin tags on a sunday
tell dem otha lames,
they'll probally catch up monday,
i'm living for the weekend,
and they jus gettin da monday
Hattas boss in da rolls royce 2 tone gray
Ride the phantom only from tues to thursday
dudes pointin sayin Aye
them dudes dont play
y-ya'll know wat it is
dat so so def way (Hey)
ain't nuthin changed but my age and my pay
Get the girls to the crib
and dey always wanna stay
And dey kno i got money
but i neva gotta pay
I'm a big boy playa
all i gotta say is...

[Chorus 2:]

Baby you aint neva seen a thug like me (bet that)
Ova here is where you really wanna be (bet that)
I ain't wit da bull
I'm bout my money
and when i do it i do it thursday to sunday (bet that)

Baby you aint neva seen a thug like me (bet that)
i'm tha B, and i dont lie

[Verse 2:]

its 2 seaters in my garage

i got G's in da bag, wit tha G's all on it
i got a castle for da crib
i spent cheese all on it
i'm everywhere them otha dudes dont be around
at the game close enough to grab rebounds
im in town on a friday,
gone on a saturday,
back on a monday
was home about one day
who wlse you know is cooler tahn a fan dat can plan
getaway trips,
chillin on dat all black sand.
I'm gettin tanned in tha wintertime
chefs when its dinnertime
won't be seen around with nuthin less than a dime
i got the game,
know the slang and da language
Left in tha range and came back in a vanquish
I got accounts on accounts
dats amounts on amounts
at any given time i can bounce south

[Chorus 2]

[Verse 3:]

now wat day of the week is it (i dont know)
it dont even matta
i dont even hear dem dudes,
with the whispers and the chatters
I be gone in dat 0-7
steering and accelerating
jumped in the wheels and i caint keep da pedal waitin

celebrating every single chance dat i get to
make dem otha girls pissed off when im wit chu
You seen dat side of hate at da mall da we went 2
you seen wat i spent boo?
dats a light issue

everything stay kitted
got dat 59-50
on dat book ass fitted
dey be like dat man did it
still black card livin
when its time for some action,
all da girls be wit it
dats my lifestyle girl,
im da one you wanna holla at
forget yesterday,
i'm cool enough to bring tomorrow back
And you can see, dats why yo eyes all swole
You aint gotta front i know u wanna roll

[Chorus 2]
