My account on millie, wrist on chilly

And plus I'm way flyer you would think I played for

Got that bent on deuces, ya man is a dufus

Girls go (wow) when my coupe go roof less

My paper don't stop no need to put in ya 2 cents

If he can't do for you lil mama he useless

I got that money walk

Only big money talk

Catch me in da spot like throwing big money bucks

They got that funny walk, whisper when they money

Know my green stronger than 3200 hawks

Now that's incredible reserved by the federal

Name a 21 year old you know do it better boo

Never who, you better off searching for that letter too

[Ron Browz:]
