My blonde girl is so fine,
Her pops don't oppose her to speaking to black guys
And she like techno music
love giving head she never hesitate to do it
Ex cheerleader black girls mean mugging us
everytime we out and public and they see us
But I don't even care though, got good credit
and gassing her up and I'm not talking about unleaded
Now let me keep it real jungle fever love
now I know how Wesley feel
Baby girl I'm just saying
my favorite white chick I'm not talking about the â€¦

My blonde girl do all the things that I like
My brunette wanna have sex all night
brunette got 2 kids of her own
Blonde still live with her mother at home
Now what should I do?
That's why I'm asking you
The blonde or the brunette who should I chose
who should I chose, who should I chose
the blonde or the brunette, who should I chose

My brunette don't have a car
But she got bus fares
stripping at night tryna pay her sons day care
that's why I like her she from Minnesota
And she in college goes back in October
She used to be the caption of the volleyball team
til she got pregnant killed her dream
And self esteem you know life can get tough
And like the spirit I lift her up
I like Jay-Z she like Coldplay
I prefer footlocker she like Dolce
Some say I should have learned after OJ
But I don't care what anyone else has to say

My blonde girl do all the things that I like
My brunette wanna have sex all night
brunette got 2 kids of her own
Blonde still live with her mother at home
Now what should I do?

That's why I'm asking you
The blonde or the brunette who should I chose
who should I chose, who should I chose
the blonde or the brunette, who should I chose

She loves me, She loves me not,
She loves me, She loves me not,
She loves me, She loves me not,
She loves me, She loves me not,
She loves me, She loves me not,
Ohhh She loves me, She loves me not,
She loves me, She loves me not,
She loves me, She loves me not,
She loves me, She loves me not,

My blonde girl do all the things that I like
My brunette wanna have sex all night
brunette got 2 kids of her own
Blonde still live with her mother at home
Now what should I do?
That's why I'm asking you
The blonde or the brunette who should I chose
who should I chose, who should I chose
the blonde or the brunette, who should I chose
