Do it for the lady's
Here we go
They say age aint nothin but a number right
I know just what u need
I know just what u like
Now baby dim the light n get comfortable
I got enough dick to fill u up like papa dos
That grown man talk baby let's just keep real
And I aint no magician but let cop a field
Baby my love is real tell me where u want it at
And she know my game sharper than a pack of
thumbtacks
Baby let me tell you where u can put yo clothes at
Throw dem on the floor n leave yo heels by the
doormat
Yeah u leavin here with a sore back
Love my dick so much she had to go and get my name
tat

[Hook]
Shhh break it down I don't want nobody else to hear the
sounds
This love is a private affair Interrupt the flow, no they
better not
dare

[Verse 2]
Um please don't interrupt us
Neighbors complaining sayin we causin a ruckus
Just to show you just what kind of mood im in
I put that tour body callin r.kelly cd in

Yeah so tonight is goin down right
Have you running to yo friends tellin dem what bow like
Talkin to them like that nigga put it down right
Had me pent up I swear to god girl I came twice (It's
what I do to em)
Im mister do it for the lady's
Known to drive these lady's crazy they all want to have
my baby's (huh?)
More than I love her u my homie baby
U my one n only now come n put it on me (Holla)

[Hook]

Shhh break it down I don't want nobody else to hear the sounds

This love is a private affair Interrupt the flow, no they better not dare

[Verse 3]

Only got eight bars left we running out of time

Im glad I got you yeah you little light of mine

I goin to thinkin about u when im out in town

Tell dem other dudes like new edition they can cool it now

Becuz u with bow weezy baby its that simple

I love it when u smile it complements your dimples

And u know my love is unconditional

And for these hoes on the road girl ill never diss u

(Never Yeah!)
