(VERSE 1) had to go and break a niggas heart who ever thought that me and you would ever be apart damn i guess life takes it's courses and i admit baby i made bad choices you gotta listen i aint the man that i use to be and not having you around you don't know what it do to me and yeah you heard a couple rumors (what) about who i was sleeping around with (what) who was i getting down with (huh) ya love the way a nigga made you laugh and to my momma you a daughter that she never had ima always think about ya i cant sleep with out ya shit i can't eat with out ya bow

(CHORUS)

fronting acting like i don't miss(you kno how i do) ya main reasons why im single cuz im still in love with ya and i be acting tough round all of my niggas can't get you off my mind(you know im thinking bout ya)(you know im thinking bout ya)(shawty you know im thinking bout ya)

(VERSE 2)

im thinking bout how we could of been and you the smart girl you know im the better man you know nobody treats you better than and understand can;t nobody love you like i can pose to be the mother of my child settle down with that ring and make you mrs wow but i guess me and you is finished now before i get another girl datz gon take a while i gotta get over the feeling that i have for you look at the thing that l.o.v.e makes you do damn i can't eat with out you i can't sleep without ya all i do is think about ya baby

(CHORUS)

fronting acting like i don't miss ya main reasons why im single cuz im still in love with ya and i be acting tough round all of my niggas can't get you off my mind(you know im thinking bout ya)(you know im thinking bout ya)(shawty you know im thinking bout ya)

(TALKING)
