[Verse 1 : Bow Wow]

Fi fi fi fi find me in the nice spot
Watch me get this b!tch jumping like hopscotch
Bow is the name but don't get it twisted
Always wear a rubber when I'm in these dirty b!tches
They better stop playing with me, they better stop it
doe
Rooms full of cash, would think I sold a lot of doe
(Stuntin)
Ka-keep hoes like a pint do, killing every stadium and
every f-cking Venue
I run this shit, hit these other rappers up like Funyun
Chips
Big Dog no kibbles and bits
And when I say I ball, I ain't talking dribbling b!tch
Pa park my Yacht next to Diddy boat
I put on for my city yo, if you ain't planning on making it
rain
Then why the f-ck you in here foe
Smoke erb 'til my lungs collapse
I'm just a young nigga with big stacks
They Call me whizzle B!tch

[Hook]

Standing on the couches like we run this b!tch
I'm with a bad lambo and you know shot thick
I'ma kick the b!tch out if she act stuck dot dot
Baby, I can do it shot like dot dot, ah ah ah
Only nigga do it ah ah ah

[Verse 2 : Cory Gunz]

Weezy and gonna got em bro, red tails my nigga gets
fly and let em go
Young money if they never know they better know I set
and go we never fold
You softer than a treasure troll
For the Fed they going federal so fled the folds
The several leaves several with severed souls
Beyond payne on my job state I'm my moms blamer

Its little John Cramer the Tom aimer
Stunta showed the way its back to bigger business
We NWA its still make a business
I got the game on cheats C.C.G
Malice b!tch its WMCMB

[Verse 3 : Jae Millz]

You already know what I'm on coke flow
Call it Franky Lamon if niggas look ho they see they
hatin as a reflection all in my diamonds
I'm in a lambo, you in a scion
Talk stupid bumping in me and get pressed like a iron
The same couch, I can be you standing and you get die
on
I walk in my closet and get my get fly on
What these boys call fly, I wouldn't even try on
I'm too hard
Move work from only
I smoke medicated pow it

[Hook]

Standing on the couches like we run this b!tch
I'm with a bad lambo and you know shot thick
I'ma kick the b!tch out if she act stuck dot dot
Baby, I can do it shot like dot dot, ah ah ah
Only nigga do it ah ah ah
