Murda Mook:

yall aint flames to me yall aint the same as me
yall little deals like not even a chain to me
yall little whips like not even a train to me
but yall claim to be pocket change to me
i cock and i aim and i see yall runnin like puff when he
ran through my block got the hand on my glock one
shot put ya man in the box with the rams in the rock if
ya man want to cock
rocky watch too cocky stop
niggas say he hot but he prolli not
and niggas want to hear that shotty pop cuz if it dump
itll make your body drop
record companies exects. want to have lunch with me
give me a bunch of cheese
cuz they see ima fein for the cream and they kno gettin
cream in my jeans like?
nigga please
spend a hundred g's for my wrist to freeze
whip so much call me mr keys
no suprise got tattoos and the flow Vietnamese
8 - 9 catch ya wife slippin with like 8 lies
turn ya whole block to a grave site
cuz ya stupid ass really thought you was safe right
silly ass should of knew he had it comin
too late when the automatic dumpin
got his moms in the place with her palms on her face
like god damn i knew my boy had it comin
bitch he will cry cuz he grabbed the onion
he a snitch he will die cuz he had it comin
all that frontin ima make ya body drop

ya body drop ima make ya body drop

bow wow:

its the b-o-w-w-o w
and these niggas know how it goes
first im so three mill and ever since that dude i been
out the stores
niggas kill me when they act up till you pull them things
out then they wanna back up back up

then they aint so tuff and they aint so ruff well dude
that aint us
iced out chain dude im the mayne
dudes mad cuz they girl steady givin me brain
everything that i do i do it b-i-g
aint no other dude put it down quite like me
26's dog when i roll up
flow better then mine im like hold up
you hot like me im like naw bra
yo bank account gotta grow up
im on a level dog that you aint on
sold out shows everytime i perform
you hatin niggas betta push on
this how i get now its on
move it time lets ride out
we gon give yall sumthin to talk about
we stomp on niggas mash them out
get the keys to the bent lets ride out
