She smoked too, like me
Bad bitch with a â€¦ and we always gotta fuck late
Because she begin up at 3
And she the baddest thang and she know it
I'ma make her wet like the ocean
Can't nobody, can't nobody, can't nobody sex you like I
can girl
(Ahah...)
Nobody fucks you like I do girl
(Ahah...)
Yeah, one condom, then 2
Smoke a blunt when I'm through
body dripping sweat, got your pussy wet
You already know how a young boy do
And I just turned 25, so I know what a woman want
And what a woman need told you had a red what you
do
Send him on the bench
â€¦catch your eyes on the back when I look at that spot
Screaming my name when I lick right there,
Told me that I could bust anywhere
Long as a nigga don't get it in your hair
Legs in the air, panties over there
Remove that bra, I ain't hitting rough
But you got a man, she said hell no
That's what she told me, she left with a boy
I've been in the studio she come right through
Keep the engineer out the room
I swear she walks in she, start giving me head in the
booth
My girl is a truth, why would I lie?
You looking for me, I'll be in between her thighs
Pussy stay good like apple pie,
I'll slurp that thang till it's desert dry
We can do whatever that you want boo
Just name the time a place, you know I got you
If you got a man I don't give a fuck
Baby here's my number, let me know what's up
Baby fuck what you heard, I'm a freak in the bed
Ain't tryina be your man, but we can just fuck instead
Remember you lonely, shawty, you know you can call
me shawty

..she be like â€¦ nobody fucks you like me
I beat it up, I beat it up, I eat it up
She likes to play, I beat it up, beat it up.
