Seem like I got everything  
Only thing I'm really missin is my father mane  
Never told me son have a good day in school  
Never came to my games he too busy sippin bulls  
Got 3 kids can't take care na one of em dead beat said  
he would I can't be one of em  
And I look just like him when I have kids I won't be  
nothin like him  
And everytime I see him I be wantin to fight to him  
I love him to death, but he know he triflin  
Grandma always tryna take ya side sayin shad he went  
to rehab he gon be fine  
But I know deep down in my soul that's lie  
And I hope he gets better so i pray to the sky  
Can't even lie man I feel liek cryin  
And u drink so much I know ya body is dying  
And it'a shame my lil sista in the 6th grade and she  
know all about ya bad ways and  
I learned how to use a condom by myself  
And I learned how shave homie by myself  
Taught me how to be man by myself  
And I tie my own shoe homie I don't need ya help  
Man what I'm gon tell my children  
When they ask for grandpa and you somewhere missin

It's too late homie don't even bother  
You know how much stress you done caused my  
momma  
Cause you wasn't around it was so much drama  
Think pickin up a 40 gon solve ya probelms  
Try talkin to you but don't change much  
Gave you some money but you fucked that all up  
And you know I love holidays but fathers day the only  
holiday we don't celebrate  
Me and my fans got something in common just ya  
momma around and ain't no father (true)  
And I know it's good dad out there but  
I wouldn't understand I didn't have that dad  
And he's a mess like lynel and when he see me on tv  
that's when he call  
Mr right by my side is where he oughta be  
Can't do it cause he still an alcoholic be

This concludes my story  
God bless ya soul and God give him glory

I celebrate holidays but I don't celebrate Father's Day  
x4
