25 Iâ€™m a grown ass man, rocking the grown man
watch
counting these grown man bands yeah
I got a daughter, life getting harder
louie sandal so light feel like Iâ€™m walking on water
I donâ€™t f*ck with girls my age, my hoes ainâ€™t no face,
but on my space, find em up int he club, so
sophisticated,
Buju little waste, whack far form basic,
letâ€™s face it, yellow diamonds in my bracelet,
itâ€™s the rubber boy, that slim magazine,
I mean these voice out here trying to talk green
I donâ€™t think these guys really wanna talk money that
mean

Hook:

Iâ€™m a grown ass man, grown ass man
Niggas acting like damn who the f*ck I am?
People sayin Iâ€™ve changed but that comes with age
guess this explains why I act this way.
Iâ€™m a grown ass man, grown ass man
Niggas acting like damn who the f*ck I am?
People sayin Iâ€™ve changed but that comes with age
guess this explains why I act this way.

Iâ€™m a uh, been all around the world,
see you busy watchin me while Iâ€™m schemin on your
girl
been on tour with Snoop Dog in the gold coast,
have a fity and Iâ€™ve already done the most
Why you fighting in here? Playin niggas I swear,
Donâ€™t you see all these bad bitches up in here?
See I roll my own blunts, I donâ€™t need no help
And I work for... see I pay myself
I grew up, you should do the same
I guess thatâ€™s why so many people say that Iâ€™ve
changed
well I write my own shit, plus my paper is jet
so I all ask donâ€™t be all in my shit.

[Hook:]

I got my own crib, diamonds on...
... so close you think Iâ€™m playing for the heats,
see Iâ€™m a... type of dude, no rims on the coop,
I can fit 30 thow when itâ€™s time for a suit,
you gotta dress up sometimes,
it feel good just to get fly,
you boys better pay attention after mention
itâ€™s grown up mention business holla at me.
